

*Feel Like Yourself*

Dr. Praderio uses the latest technologies from Inmode® that offer the best solutions for women's wellness.

## MORPHEUS8V

Morpheus8V uses microneedles and radiofrequency to improve vaginal laxity, labial appearance and more.

## FORMAV

FormaV is a comfortable radiofrequency treatment that uses volumetric deep heating to relieve vaginal dryness, elasticity and mild urinary incontinence.

## VTONE

VTone is an FDA-cleared technology for intravaginal electrical muscle stimulation to help with weak pelvic floor muscles and treat stress, urge and mixed urinary incontinence in women.

**O-Shot®**

Dr. Praderio is the only female physician in the coastal bend offering the O-Shot®.

Call today and ask how Dr. Praderio can use the O-Shot® and/or radiofrequency treatments to improve your life today.

## DO YOU SUFFER FROM MILD URINARY INCONTINENCE?

As we age, and especially after child birth, us women tend to hide, or just not talk about the new problems we face.

- Do you sometimes pee when you laugh, cough or sneeze?
- Do you find yourself “having to go” more often?

This is called Mild Urinary Incontinence. It happens. And YES, it is treatable. You don't have to suffer any longer. Call and ask our to speak to our staff to find out how we can help alleviate some or all of your symptoms.

### Testimonial

**The results of the Morpheus 8V treatment were nothing short of remarkable. Even after just one session, I noticed a significant improvement. Not only did I experience enhanced sensitivity in a positive way, but the treatment also effectively addressed my longstanding issue of urinary incontinence.**

-N.M.

### Testimonial

**Just wanted to let you know I'm so excited after this second treatment! Both stress and urge incontinence have improved dramatically! My husband is also a BIG fan 😊**

-L.H.

## DO YOU FEEL LIKE YOU JUST DON'T LOOK AND FEEL THE SAME DOWN THERE?

There is no shame in wanting to feel your best. For some of us we would love for our ENTIRE BODY to be like it was when we were young. YES...including down there.

- Is the appearance of your vulva just not what it used to be?
- Are you worried that you seem to be “less tight” than before?

There are many options available to help you look and feel your best. Dr. Praderio has been helping women like you for almost 20 years. Call us today to learn more.

## IS YOUR SEX LIFE JUST NOT THE SAME LATELY?

As women age, we begin to experience natural changes associated with menopause. It's nothing to be ashamed of, but it's also not something we need to ignore. Is your love life affected by:

- Vaginal dryness
- Painful intercourse
- Decreased libido
- Sensitivity during intercourse
- Loss of elasticity/tone in the vagina
- Wrinkled labial/vulvar appearance
- Labial hypertrophy (leading to pain)
- Vaginal laxity

If so, then Dr. Praderio may be able to help. She is a board certified OBGYN who specializes in women's health. Find out why so many women rave about Dr. Praderio.

### Testimonial

**Office staff is extremely friendly. I felt improvement within a couple of weeks. Very Noticeable difference. Crystal and Dr. Praderio help me stay at ease during the procedure.**

-A.G
